

## Seal Beach 5&10K 2010 Grant Request Information

The Seal Beach 5K/10K Race Committee is very committed to making our annual event one of high quality and a source of pride for our City as well as our race sponsors. This year our event hosted over 5,000 participants as they had an opportunity to run or walk in a well-organized event along some of the most beautiful oceanfront areas on the West Coast.

We are a non-profit organization whose charter is to raise funds and awareness for recreation/physical fitness & wellness programs, services, equipment and facilities in the greater Seal Beach community. In 2009 we awarded a record total of \$100,000 to 27 organizations that encompassed a wide range of community program needs.

The non-profit charter has been in existence since 1999, although the organization has sponsored runs for 36 years. The race has continued to grow the race in its attendance and contributions each year and all the net proceeds are given back to the local communities in the form of grants. The event is planned, managed and executed 100% by volunteers.
